YOUR PARTNERS IN ENERGY EFFICIENCY!

A ONE-OF-A-KIND OFFER TO GET YOUR PROJECT OFF THE GROUND.

SIMPLE, AFFORDABLE AND WITHIN YOUR REACH

A partner every step of the way

Our team of energy efficiency experts will guide you through the process step-by-step and help you get the most out of your investment by:

- Pinpointing areas of improvement for your company's energy efficiency
- Providing you with technological consulting
- Connecting you to financial assistance (grants, aid programs, etc.)

Easy and flexible financing for your project

Get financing to cover up to 100% of your project's cost (which includes engineering, architecture and installation costs, as well as future subsidies):

- No down payment required
- Flexible repayment terms:
 - Capital payment holiday while work is being done
 - Repayment terms based on energy savings

ASSOCIATION QUÉBÉCOISE
POUR LA MAÎTRISE DE L'ÉNERGIE

- Respected partner in energy efficiency
- Local- and market-oriented support
- Top-notch, impartial expertise
- Based on proven, multi-source best practices

Association for Energy Efficiency is a hub of stakeholders who are dedicated to promoting energy efficiency. An independent, impartial and private-sector organization, Association for Energy Efficiency's mission is to mobilize the province's actors and know-how to harness energy for a sustainable future.

DESJARDINS AND ASSOCIATION FOR ENERGY EFFICIENCY HAVE TEAMED UP TO HELP YOUR BUSINESS FIND ENERGY-EFFICIENT SOLUTIONS FOR A MAXIMUM RETURN ON INVESTMENT.
