

ENTOURAGE TERMINAL
IN-STORE PAYMENT SOLUTION

Desjardins & Co.

The **Entourage** terminal is the perfect wireless device that can accompany you, your cashiers and service staff anywhere on your business premises.

Ideal for restaurants, patios, big-box stores, garden centers, lumber yards, etc.

Greater efficiency

- ▶ Employees make fewer trips between customers and the cash register.

Better customer service

- ▶ Customers enjoy great service since they can pay wherever they happen to be, without having to go to the front counter.

Quicker service

- ▶ High-speed IP connection can serve a larger number of customers and eliminate waiting lines, thanks to a processing speed up to five times¹ faster than a dial-up connection.

Terminal flexibility

- ▶ The terminal can be used indoors and outdoors, enabling businesses with seasonal operations to save on extra equipment costs.

Easier management

- ▶ Automatic deposits.
- ▶ A single account statement (Visa, MasterCard and Interac).
- ▶ Free access to simple and powerful online management tools.

Secure payment solution

- ▶ Customers keep their credit or debit card throughout the transaction thereby eliminating the risk of having their card cloned.

Desjardins

Management solution

Free access to My Station portal, to administer card payment processing data (transaction reports and online account statements).

¹ Depending on the speed of the merchant's Internet connection, Desjardins Card Services does not guarantee the transaction processing speed.

² Acceptance of these cards is subject to obtaining a merchant number from these networks.

³ Card acceptance is subject to authorization obtained by phone from these networks.

⁴ A dedicated line must be connected to the terminal to use this feature.
